

The screenshot shows a professional website layout for 'Cafe HSE'. At the top is a dark navigation bar with the logo and menu items: HOME, FORUM, PRODUCTS, and DOWNLOADS. Below this is a 'NEWSFLASH' section with two news items, each featuring a small image and a title. A large banner image of a smiling man in a suit is positioned to the right of the newsflash. The main content area is divided into three columns: 'NEWS & QUALITY', 'JOBS & INDUSTRIES', and 'PRODUCT SUPPORT', each with a gear icon and a 'Read more...' button. Below this is a 'MAIN MENU' with a list of links and a 'WELCOME TO OUR SITE!' section with a globe image and a paragraph of text. Further down are 'POLLS' and 'FEATURES' sections. The 'POLLS' section has a list of categories and a 'Vote' button. The 'FEATURES' section has two featured articles with images and text. At the bottom, there are four columns: 'WHO'S ONLINE', 'STATISTICS', 'LATEST NEWS', and 'POPULAR', each containing a list of items.
