

The screenshot shows a professional website layout for 'Cafe HSE'. At the top is a dark navigation bar with the logo and menu items: HOME, FORUM, PRODUCTS, and DOWNLOADS. Below the navigation is a large hero image of a smiling man in a suit. To the left of the hero image is a 'NEWSFLASH' section with two news items, each featuring a small thumbnail image and a title. Below the hero image is a three-column grid of featured content: 'NEWS & QUALITY', 'JOBS & INDUSTRIES', and 'PRODUCT SUPPORT'. Each column has a title, a brief text paragraph, and a 'Read more...' button. Below this grid is a 'MAIN MENU' on the left with links for Home, The News, Web Links, and News Facts. The center features a 'WELCOME TO OUR SITE!' section with a globe image and a paragraph of text. To the right of the globe are social media icons and another 'Read more...' button. Below the welcome section is a 'POLLS' section with a list of categories and a 'Vote' button. To the right of the polls is a 'FEATURES' section with two featured articles, each with a thumbnail image, a title, and a short text snippet. At the bottom of the page is a footer area divided into four columns: 'WHO'S ONLINE' (showing 1 guest online), 'STATISTICS' (listing OS, PHP, MySQL, Time, Caching, GZIP, Members, Content, Web Links, and Content View Hits), 'LATEST NEWS' (listing 6 news items), and 'POPULAR' (listing 6 popular articles).
