Welcome to Aurangzeb & Sons

Every thing that we do today is because... Over the last days when real-estate industries were considered more vital for economic prospects in the world of today when needs, demands and sales change with the times it is important to be ready for anything and everything.

Realizing the need that our product and / or services needs a website that can look beyond the immediate and a heart care about the subscribers.

Five like minded from different industries and professional experiences decided to do the deal and they created Aurangzeb & Sons.

Aurangzeb & Sons Multiple Companies is capable of executing projects in the fields of civil, mechanical and electrical contracts with the best engineering and contracting services to both public and private sectors.

Over a half century of experienced and hardworking Professionals, who are fully skilled to complete the job according to the clients satisfaction.

Objective

Our aim is to provide a complete package of all engineering and electrical services from planning to project execution and take care too.

About me

Managing Director of Aurangzeb & Sons. Mr. Aurangzeb started business in 1985 from a single man company and now the one man company has grown up and working all Pakistan with high profile and portfolio.
